EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

RULE 59.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867," whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, or Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint Stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act,—shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such notice to be published as follows:—

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by the preceding rule, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. The expenses and costs attending on Private Bills giving any exclusive privilege, or for any object of profit, or private, corporate, or individual advantage; or for amending, extending, or enlarging any former Acts, in such manner as to confer additional powers, ought not to fall on the public; accordingly, the parties seeking to obtain a Private Bill shall pay the Clerk of the House the sum of one hundred dollars before the first reading thereof; and an additional sum of one hundred dollars immediately after the second reading thereof. And no such Bill shall be read a first time, or committed after second reading, until the fees payable on the first or second reading respectively are paid to the Clerk, and all such Bills shall be prepared by the parties applying for the same, and printed in small pica type, twenty-six ems by fifty ems, on good paper, in Imperial octavo form, each page when folded measuring 10 $\frac{3}{4}$ inches by 7 $\frac{1}{2}$ inches, and 100 copies thereof shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be re-printed by the promoters thereof.

Be it therefore enacted by the Reeve and Council of the Corporation of Delta as follows:—

Every person being the owner, possessor or harbinger of any dog or bitch running at large within the limits of the Corporation of Delta, shall, before the 10th day of January in each year, pay to the Collector or to any person duly authorised by the Council to receive the same, the sum of two (2) dollars for every such dog, and two (2) dollars for every such bitch, to and for the use of the Corporation of the said Municipality, and on payment of such tax the person so paying shall receive from the Collector or other person receiving the same, a paper receipt therefor and a metal tag having stamped thereon a number, and being of such form or so marked as to distinguish it as a tag for the current year.

Every person receiving a tag as provided in the preceding section, shall cause the same to be securely attached to the dog or bitch in respect to which it has been granted, by means of a collar fastened about the neck of such dog or bitch, and no person shall after the 10th day of January in any year, permit any dog or bitch of which he is the owner, possessor or harbinger to run at large within the Corporation unless such dog or bitch has attached about its neck the metal tag herein provided for.

There shall be a pound for dogs established within Corporation limits, and any police officer, or any officer of the Corporation or other person authorised by the Reeve, may seize any dog or bitch running at large without having attached to it a metal tag as herein provided, and may deliver such dog or bitch to the Poundkeeper, and it shall be the duty of the Poundkeeper to receive such dog or bitch and detain the same for 48 hours unless it be sooner redeemed.
